Industrial Organization: Theory and Applications (The MIT ...

Oz Shy is a wonderful example of someone I consider a Rock Star even though he is less recognizable than Tirole and others. The reason for this comes from his ability to write clearly for both undergraduates and graduates and distill the key features of seminal models into accessible chunks of intuition, with no more math than necessary.

Amazon.com: Customer reviews: Industrial Organization ...

Sherrill is convinced that nothing could Industrial Organization: Theory and Applications 1995 'The book offers both teachers and governors a clear picture, grounded in research, of what it means in practice for school managers to choose the grant-maintained route. "[this] career retrospective gathers generous selections from Alexander's previous work, along with twenty pages of new poetry, including her poem "Praise Song for the Day.
