Icon Coloring. — LiveJournal

I am having trouble making a clipping path and getting image

Acces PDF Photoshop Coloring Tutorial Livejournal

out from backgrounds. I use the pen tool, save the path and when I go and Load path as selection it gives me a "Warning: no pixels were selected". Don't know why it's not working because I followed 3 tutorials and keep getting the same warning pop up. *shrugs* thanks!

photoshop tutorials — LiveJournal

The purpose of this photoshop tutorial is to help you learn how to turn black and white pictures and turn them into a realistic, natural colored one. This learning process takes patience, a few layers, a lot of color balancing, and about 30 minutes to kill.
