I'm looking for instructions on the trek sensor pictured above. I received mine off my sisters bike after she passed away in 2001. She was an avid bicycler and speed walker and I would like to continue using the computer in honor of her. I have no idea on how to operate this computer. Any ideas would GREATLY be appreciated, thank- you. im

Trek Sensor Computer user reviews : 3.3 out of 5 - 57 ...

Next in line to get the review treatment is a bike speedometer from SY Bicycles and despite its sub \$15 price point, displays plenty of useful information and also happens to be wireless too if that's an important consideration for you. It comes with a range of functions that conveniently tell you everything you should need to know about your ...
