Our History: A Survey of United States History, Volume Two ...

The prehistory of the United States started with the arrival of Native Americans before 15,000 BC. Numerous indigenous cultures formed, and many disappeared before 1500. The arrival of Christopher Columbus in the year 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the early records and writings of John Winthrop make the United States the first ...

I am a history nerd, through and through. This small volume is a great read that I would very much recommend, if you are looking for an alternative viewpoint on U.S. history. This book was adapted from Zinn's A People's History of the United States to make this history more accessible for younger readers. While I haven't read Zinn's original ...

...

Known for its lively, clear prose as well as its scholarly research, A People's History of the United States is the only volume to tell America's story from the point of view of—and in the words of—America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows ...
